

Press Release 1 June 2012

新聞發佈 2012 年 6 月 1 日

Cybersys Computer Limited has completed installation of digital signage for the 4 sales offices of Digital Crown Holdings (Hong Kong) Limited in Hong Kong. DCHL's digital signage system is controlled by a central server linking the multiple large size LED LCD screens to display the product news and message.

兆興科域完成了安裝亮碧思集團(香港)有限公司在香港的 4 個營運點。亮碧思的多媒體顯示屏系統是由中央伺服器連接多部大型 LED LCD 顯示屏，播放內容主要是產品資料和集團訊息。
